szymon.zajaczkowski.edu@gmail.com

<https://likelycloud.github.io/>

A third-year computer science student eager to gain first professional experience as a trainee/intern.

PROGRAMMING LANGUAGES

- C++ (primary)
- Python (secondary)
- Haskell (basic)

RELEVANT COURSES

- Computer Architecture
- Algorithms and Data Structures
- Formal Languages

SKILLS

- Linux
- SQL
- Git/Svn

LANGUAGES

- Polish (native)
- English (B2/C1)

EDUCATION

Wrocław University of Science and Technology

2020 - now

B.eng, Algorithmic Computer Science

Adam Mickiewicz High School No. III in Wrocław

2017 - 2020

mathematical-IT profile

PROJECTS

- [Simple compiler written in Python](#)
- [Some simple graph algorithms](#)
- [Simple implementation of a Point as a Monad](#)

AWARDS

- [Laureate of the nationwide contest Studium Talent \(grade 5.0\)](#)

INTERESTS

- Functional Programming
- Theory of Computation
- Sport (American Football/Baseball)
- Ancient History
